

EAST Vision

Who are EAST?

EAST was established on 1 September 2019. At its inception, three secondary academies were formally partnered together: Bungay, Farlingaye and Kesgrave High Schools. In 2020, we applied to establish a Free Special School in Bungay, for children with interaction and communication needs. Demonstrating our commitment to local, inclusive education, we are proud to announce that Castle EAST School is open. EAST SCITT, our 'School Centred Initial Teacher Training' is an accredited Provider offering secondary (11-16) and primary (5-11) school-based initial teacher training awarding Qualified Teacher Status (QTS). We see this as the most effective way to find and develop future teachers to work in this vibrant county. We are delighted with the popularity and quality of EAST SCITT.

We are very confident that EAST will create a stronger future for our schools and continue to improve outcomes for our students. It is through a commitment to working together that we will continue to collectively and individually achieve great things, providing a first-class educational experience for our students and an excellent working environment for staff.

Our Vision: Where everyone can achieve

We measure our **success** through a combination of **performance, growth** and **happiness**, as individuals and collectively.

Our **cornerstones** are the foundations of our vision; they underpin all that we do and shape the way we work with everyone in our trust and our extended educational community; from parents & carers to partners, suppliers and local government.

#1 Learning

We will continually strive to deliver the best possible experience for quality learning and personal development for everyone at EAST through our curriculum, engaging teaching, the resources & support we have available and the quality of the physical environment in which we work.

#3 Opportunity

We exist to enable everyone in our schools to realise their true potential through an academic or professional experience within our schools that achieves the outcomes they seek. We do not believe there is a one-size-fits-all for success and achievement and will always do our best to support the aims and ambition of the individual.

#2 Inclusivity

We believe a great quality education, opportunities for personal development and participation should be available to everyone regardless of their personal circumstances. That's why our schools today already cater for many specialist needs and our trust is committed to developing the teachers of the future.

#4 Community

We are a significant contributor to our local communities, we understand the role we play and will always seek to enable everyone at EAST to be considered, active, positive citizens of the world around them. Our sense of community begins in our schools and we nurture a respectful, supportive culture.
