

# KHS - THE WIDER CURRICULUM

## PSHEE & ENRICHMENT

The **personal development** judgement in particular bears direct relevance to our school's PSHEE and Enrichment programme:

- The **curriculum at KHS extends beyond the academic**, technical or vocational. We provide for learners' broader development, enabling them to develop and **discover their interests and talents**
- Our curriculum and wider work supports learners to **develop their character** – including resilience, confidence and independence – and helps our students to know how to **keep physically and mentally healthy**
- At each stage of education, we prepare our learners for **future success** in their next steps
- We prepare our students for life in **modern Britain** by:
  - equipping them to be responsible, respectful, active citizens who **contribute positively to society**
  - developing their understanding **of fundamental British Values**
  - developing their understanding and appreciation of **diversity**
  - celebrating what we have in common and **promoting respect** for the different protected characteristics as defined in law.

**KHS are proud to announce our engagement with PSHEE as an Early Adopter of the new 2020 Statutory curriculum.**
