## **COVID 19 RESTRICTIONS**

Pupils are not currently able to access the changing rooms, therefore they will be required to remain in their usual school uniform and bring along a pair of trainers/football boots appropriate for the activity. Pupils should only wear their PE kit if they have PE on the specific day.

**WET WEATHER** – as there are restrictions on how we can use the indoor facilities involving different COVID bubbles, there may be occasions when inclement weather causes us to cancel a club at short notice. Please can we ask that this situation is discussed with your child and alternative arrangements are put in place for how they should arrive home.
