

Kesgrave High School

UNDERGRADUATE INTERNSHIP PROGRAMME 2026

- Would you like to gain communication and leadership skills in a vibrant workplace?
- Are you interested in working as part of a team of other undergraduates?
- Would you like to earn £455 per week for 3 weeks in June / July 2026
- Are you available to start on Monday 22nd June until Friday 10th July?

If the answer is YES then why not take part in our Undergraduate Internship Programme 2026 at Kesgrave High School.

You're eligible to apply if you are an undergraduate on a STEM related or MFL degree course and are potentially interested in teaching secondary Maths, Computing, Physics, Chemistry, Design & Technology or Languages (or have an A-level in any of the above).

You will...

- Gain classroom experience
- Have the chance to shadow experienced teachers
- Get one-to-one guidance
- Be involved in wider school activities
