

## Catchment Area List for Villages and Parishes

The information given in this list should be used as a guide only and may change. It is correct at the time of publication (12/09/19). For up-to-date information about a particular address, please contact the Admissions Team on 0345 600 0981. It should not be taken to have any definitive administrative or legal significance.

**Note 1 - Important:** Please refer to the Directory of Schools in Suffolk for the relevant school year to see the school's admissions policy available online at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions). Some voluntary aided, foundation, free schools and academies do not operate catchment areas and therefore there may be no catchment school against your address. A catchment area school may not be the nearest school to your home address. You can find out which are your three nearest Suffolk schools by putting your postcode into our new **Nearest School Checker** (which is based on the statutory walking distance including rights of way). The checker can be found at <http://nearestschool.suffolk.gov.uk>.

Suffolk County Council (SCC) introduced a new School Travel Policy in September 2019. It is important that you understand how this might affect your child's eligibility for SCC funded school travel before you apply for a school place. All children living in Suffolk who will be starting at a new school will be eligible for SCC funded school travel when they meet the statutory walking distance criteria from their home to the nearest suitable school that would have had a place available for them. This would be whether or not an application was made for a place at that school. Full details about SCC funded school travel, including additional arrangements for low income families and those with Special Educational Needs and Disabilities (SEND), can be found at [www.suffolkonboard.com/schooltravel](http://www.suffolkonboard.com/schooltravel).

**Please note: for villages and parishes, most catchment boundaries follow the parish boundary line. This is not always the same village and parish as the postal address indicates.**

### This list is for the 2020/2021 school year only

Village Name	Primary School Catchment Area (where relevant) - 2020/2021 school year only	Middle School Catchment Area (where relevant) - 2020/2021 school year only	High School Catchment Area (where relevant) - 2020/2021 school year only
