

The Prevent Duty at Kesgrave High School

As a school, we aim to keep our students safe from harm and this includes protecting them from the risk of radicalisation.

Provision is in place to:

- Ensure staff are able to identify students who may be vulnerable to radicalisation.
- Ensure staff know what to do if students have been identified.
- Protect students from the risk of radicalisation as part of our safeguarding duties, whether these risks come from within the family or are the product of outside influences.
- Build students resilience to radicalisation by promoting fundamental British values and enabling pupils to challenge extremist views. (We will be a safe space where students can understand the risks associated with terrorism and develop the knowledge and skills to be able to challenge extremist arguments).
- Within our curriculum, we will ensure that we assist our students in their personal, social and emotional development and understanding of the world.

If you have any concerns in relation to the above, please contact the Designated Safeguarding Lead, Roz Coe, who is also the Prevent Lead or Teresa Rush – Alternate Safeguarding/Prevent Lead
